

## WATCH WARRANTY INFORMATION

Not only is your new Coach watch beautiful in design, it is crafted with quality materials and components to offer you precise, reliable performance. We proudly stand behind each Coach watch we sell.

### Coach Watches Warranty Protection

Your Coach watch is protected from the date of purchase by a Coach Watches two-year limited warranty:

If the movement of your watch proves to be defective in material or workmanship under normal use anytime within the first two (2) years, we will repair or replace it (at our option) for you, free of charge.

The finish on a Coach gold-plated watch is warranted against flaking and peeling for three (3) years from date of purchase. If the plating on your watch proves to be defective within this time, we will refinish or replace (at our option) the case and/or bracelet for you, free of charge.

### Conditions and Exclusions

The Coach Watches warranty does not cover batteries, leather straps, or crystals, nor does it cover scratches or other damage arising from normal wear, accidents or misuse, or from any alteration, service or repair performed by any party other than Coach Watches or one of our Authorized Service Centers.

This warranty is void if the watch was not purchased from an Authorized Coach Watches Dealer, as evidenced by a valid warranty card and proof of purchase. To be valid, the back of a Coach Watches warranty card must be completed by the Authorized Coach Watches Dealer at the time of purchase.

This warranty gives you specific legal rights. You may also have other statutory rights which may vary from state to state, and country to country.
